the safe keeping of the Louvre, along with the other work bearing the same to Leonardo, but which the experts in later years have decided er a replica or a copy by the hand of Boltrafflo, who was Leonardo's greatest pupil. The Louvre's own "La Belle Feronniere" is not in good condition and had been doubted as the direct work of Leonardo even before the reach Government, Kansas City's "La Relle Feronniere" is in perfect preser-vation and is declared by the experts to be as fine a work technically as the more famous "Mona Lisa."

The French Government recently laid prohibitive tax of 100 per cent. on exportation of old works of art. This would have made well nigh im-possible the bringing of "La Belle Feronniere" to America except for the fact that its owner had become the wife of an American citizen, and there-fore had the legal right to take the roperty with her whereever she went. ne now resides with her husband at function City, Kan.
